

Attention Parents and Guardians:

To ensure student safety please note the following student pick-up and drop-off procedures. It has been brought to our attention that there is confusion concerning where to park when dropping off and picking up students.

*The **pick-up/drop-off** zone in front of the school is for **BUSES ONLY**.

*The parent pick-up/drop-off consists of two locations:

- The **parking lot** directly across from bus loading zone (parents are required to walk their student(s) across the bus loading zone).
- Along the school fence line beginning on Fifth Street and ending at the entry to the bus loading zone (a sign is posted).

All traffic flows in a one-way pattern with entry on Fifth Street and exit on Wildhorse Road. The traffic pattern loops through the parking lot and caution is required for safety.
